The **Koala Class** is designed for little ones aged 6 months to preschoolers. Learning through interactive music sessions to hands on play inspired by Chinese traditions. Parents actively participate in activities alongside the children.

The **Quokka Class** provides a foundational introduction to Chinese for beginners, using a curriculum aligned with The Victorian Curriculum. The emphasis is on essential skills like Chinese pinyin, listening, and speaking, with engaging activities such as singing songs and exploring cultural aspects. The ultimate goals include students being proficient in Chinese pinyin, speaking basic words, singing Chinese songs, and developing a genuine interest in the Chinese language and culture.

The **Platypus Class** begins with "Chinese Made Easy for Kids," covering basic Pinyin, everyday vocabulary, and the step-by-step process of writing Chinese characters. The class, conducted in both English and Chinese, includes engaging activities like stories, poetry, songs, and festive events. Reading and writing focus on simple Chinese words, supported by stroke order exercises. The goals are to spark students' interest in Chinese, introduce students to Chinese culture, and lay a foundation for future Chinese language studies.

This **Echidna Class** is designed for students with a foundational grasp of Pinyin and the Chinese language. It utilizes the CHINESE MADE EASY FOR KIDS 2nd edition to strengthen Mandarin fundamentals and cultivate a genuine interest in the language. The course involves reading Chinese books with Pinyin, crafting sentences, and using the Independent Reading Program for those who can read and write simple Chinese. It explores art, history, and language conventions. Join us for an immersive experience that deepens your appreciation for Chinese culture while enhancing language abilities. Get ready to unlock the full potential of Chinese literacy.

The **Kangaroo Class** focuses on critical thinking and practical language application. Emphasizing cultural differences, we integrate daily listening, speaking, and reading practices. Students engage in sentence formulation, writing exercises, and activities like cultural discussions. Standard objectives cover basic writing and character recognition, while the advanced tier prepares students for complex language use. Guided by a registered VCE Chinese Language teacher, this class offers a pathway to VCE Chinese language. Designed for students with prior knowledge, it emphasizes vocabulary expansion, complex grammar, and improved conversational skills, including real-life applications, cultural immersion, and an advanced curriculum for fluency enhancement.
